Walk into YEELIM FAUCET design stories

"Sometimes, a tiny idea may cause great impact"

"Can the faucets become decoration ? --- Maybe"

DRAGON SERIES

The design comes from the mysterious dragon, the chief designer of YEELIM injected the dragon into the design of the faucet, when it open water, just like a dragon were crossing a river.

SK1902-C

SKYLINE SERIES

Perfect and elegant design, exquisite quality of life molding. Simple and ingenious curve arcs, simple and concise shapes, expressing extraordinary style, showing infinite modern beauty. The red hue is like the owner's personality, unrestrained, natural, and enthusiastic. Elegant and generous, the space integrated into the new ideas of modern art life is unknowingly fascinating.
